## MORE HOMES FOR ELDERLY WANTED

The Wilmington Housing Authority told the Planning Board Tuesday evening that Wilmington needs another Housing Project for the Elderly.

Vice Chairman Wilson Belbin, Mrs. Flora Kasabuski and Earl Zimmerman said that a great need exists for this type of housing for Wilmington residents. They attended the meeting of the Planning Board to discuss possible sites.

The waiting list is long, they said, and the town should build a project of 40 or 50 apartments.

Disclosed during the conversations was that the WHA has, as of October first raised the rent for the apartments on Deming Way from \$48 a unit to \$53 a unit, per month. This is the first raise that has been made since the project started over a dozen years ago.

Elderly persons on fixed incomes are having a difficult time, the WHA members said. The minimum Social Security payment,

which is the only income for some is \$73 a month, and in addition to their rent, the tenants are charged for their light and telephone bills. Heat and water is a part of the rent, but after paying \$53, there isn't much left. Many of the tenants are getting a supplementary income from the Welfare Department, but in some cases this is as low as \$8 a week.

The 'tremendous' list of Wilmington people who qualify for this type of housing points definitely to the need, the Planning Board was told, but the WHA does not want to put in a project in a site that might possibly interfere with the Master Plan, now being considered by the Planning Board. That was the reason for the conference.

A total of six sites were suggested, and the Planning Board will ask Professor Eliot, Planning Board consultant, for his opinion on the sites.

## Re-enact the First Mass

THE FIRST CATHOLIC MASS: Ever said in Wilmington, back about 1880, was celebrated with a Mass Saturday noon at the McMahon residence, on Middlesex Avenue, with about two dozen parishioners present. Father Edmund Croke and Father Francis Mackin celebrated the Mass on the porch of the old home.

## A Wonderful Reception

Half-time, for the Pop Warner football game Sunday, was never like it, before.

The Wilmington Crusaders, the class B champions of the Mayflower League, Bugle and Drum Corps, put on a show for the spectators, over a thousand of them, and got a wonderful hand.

## Policeman Arraigned

Patrolman Richard Jenkins of the Wilmington police has been arraigned in Woburn Court, following an arrest by the Wilmington police. He was arrested by Sgt. George Shepard on direct orders from the Chief of Police.

Jenkins was arrested after having been observed by Wilmington Police in Ella's Market, in North Wilmington, Tuesday night. The market was under observation by the police, because of previous breaks, and Jenkins is reported to have taken packages out of the building.

## Double Trouble

Cruiser 32, of the Wilmington Police Department has returned to duty, as of Wednesday morning, with a complete new front end. The cruiser had been laid up for three weeks, as Ford doesn't have new front ends for 1968 cars on stock.

But now it is Cruiser 31 which is laid up, and Ford has to get a new motor for this one. The Town of Wilmington was without a cruiser all day Tuesday, and the Chief of Police did not think that the advice offered - take the dogs out of the cage in the K-9 car, and put in cops - was very funny.

Car 31 broke down in Wilmington Square at 8 pm Monday, and had to be pushed to the Police Station.

## CARD OF THANKS

I would like to thank the Tewksbury - Wilmington Lodge of Elks for their fine hospitality at the Pop Warner Family Night.

I also deeply appreciate the wonderful show by the Wilmington Crusaders, at our game last Sunday.

# Latest Redevelopment Plan

Most 10-year-old walls need new paint or paper.

A 10-year-old Weldwood wall sometimes needs wiping.

Weldwood paneling from U. S. Plywood lasts as long as the wall you put it on—and keeps its looks. It's beautiful, reasonably priced, and a lot less messy than paint or wallpaper. No splatter. You just stick it up. Once. It comes in 26 different kinds of wood, a host of colors, and is remarkably scratch and scuff resistant. If you've got a redecorating job in your future, see some Weldwood paneling first. You'll be glad you did!

Prices start at \$ 395  
4' x 8'

Everything to Build Anything

658-2051

THE WILMINGTON RE-DEVELOPMENT AUTHORITY: Presented this plan to the Planning Board, Tuesday evening, showing their latest proposals for the non-tax-paying land off Eames Street. The proposed road, etc in the center of the area has been dropped.

Parcel 2, on top of Cook Hill, is to remain Residential, for the present residents of the area, and Parcels 3 and 4, on the sides of the old volcano, will become 'Open Land Reserve' being deemed of no use to industry.

performance was turned in by a limping Mike Sughrue.

The season reaches its halfway point this Saturday, with the Hackers meeting with the Chargers at 6 pm, and the Mad Dogs colliding with the Wildcats at 7 pm.

## Pop Warner Flag Football

In second round action last Saturday night, Chris Rounds threw five touchdown passes as the Hackers swamped the Wildcats by a score of 44-6. Dave Maloney scored 18 of those points, followed by Dan Sughrue with seven, Rick Ethier with six, Tom Stewart with six, Dan Lowry with six, and Rich Zwahlen with one. For the Wildcats, Mike Tower scored their six and good performances were turned in by Steve Gilman, Bruce Tarricone and Paul Crescitelli.

The second game of the evening pitted the two undefeated teams against one another and the Mad Dogs were the survivors. Coming from behind three times, they halted the Chargers 34-19. Dave Rounds led all scorers for the Mad Dogs with 21 points, followed by Larry McGrath with seven and Brian Callahan with six. For the Chargers, a one-man performance by Steve Callahan with 18 points wasn't enough. Tom Marden scored the other point, and a great

## Selectmen's Meeting Unhappy People

Joy did not reign at the Selectmen's meeting, Monday night.

Everyone who had anything to do with the Selectmen left in an unhappy state of mind. Frowns, scowls, and other such grimaces were to be noted as they came out of the door of the meeting room.

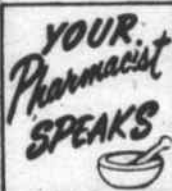

It was only after an executive meeting of 35 minutes with Atty Mel Levine, who represents the residents of Kenwood Avenue, that a smile appeared. Mr. Levine was broadly smiling as he came out the door, and Town Counsel Alan Altman was able to smile too, a few moments later when he came out.

### A & D Gas Tank

Sal D'Allesandro, owner of the A&D Realty Trust and a trucking company on Andover Street, not only was not smiling, but was clearly perplexed as he left the Selectmen's meeting room.

Mr. D'Allesandro had appeared for his second hearing to install a 5,000 gallon tank on his premises, and the answer was that he would have to go to the Board of Appeals.

Chairman Jim Banda read a second opinion of Town Counsel Alan Altman. Mr. Altman, the Town Manager and the Building Inspector had inspected the premises, and Altman noted that there were no repairs going on in the premises.

By Louise

Middle Age -- A time to slow down? To look back? To despair? Not at all! It may be the 'best age of all'.

The age group between 40 and 60 makes up almost a quarter of the U.S. population, earns more than half of our personal income and wields considerable social power.

Medical progress has put off old age so that the middle years occupy a growing segment of the life-span.

We don't call people old as soon as we used to. At 50 we are still young!

Middle age is a period in which significant emotional development can take place.

Do you keep moving outward, or do you spend more time in front of the television? For a growing number of American middle age is truly 'the best time of life.'

CARPET TREATMENT

It would seem, the Town Counsel said, that the operation was in violation of the Zoning By-Law (the original permit having been for a Repair Garage).

Selectman George Boylen noted that in the previous hearing the Building Inspector had said that D'Allesandro was not in violation, but that the board must rely on the

WITH THE TOWN COUNSEL: By his side, the Chief of Police goes over the list of vehicles which he read to the Selectmen. At far left in back is Mrs Norma Powers, who spoke later.

Attorney (and County Commissioner) Fred Connors can be seen between Altman and Lynch.

opinion of the Town Counsel, Miceli said that 'What we are doing is to tell this fellow to build a warehouse, and then the trucking would be an accessory use'. It was evident that Miceli was unhappy.

Boylen moved that the matter be tabled, and that D'Allesandro could go to the Board of Appeals.

### Marion Street

Equally unhappy were three Marion Street residents, Dick Cushing and Stanley Hibbins, along with a few of their friends.

The Chief of Police, along with the Town Counsel, has given them and Arthur Cheever until Nov. 8 to 'clean up' their yards of alleged unregistered vehicles, etc., which some of their neighbors have told the Selectmen are junk.

Chief Lynch and Mr Altman appeared to make their report to the Selectmen in person, with the Chief being the spokesmen.

The Chief told the Selectmen that the first time he had visited the Cheever property there were 18 cars there. Now, the last time, there were 4, an International Truck on blocks, a complete Valian, not registered; a Dodge Dart not registered, and a truck body with no chassis.

On the Hibbins property, the Chief said, were a Thunderbird, a Dodge Sedan, and an International Jeep, complete, but without registrations. There was also an Olds Station Wagon in use, a Dodge truck with C plates, a Humpty Dumpty truck body being used for tool storage, two plow blades, an engine block and three home made trailers.

On the Cushing property were 11 cars, the Chief said: A 1-10 Ford Truck; five stock cars, not complete and not registered; two 'Demolitions' not complete and not registered; a truck with a plow attachment, etc.

The Chief told the Selectmen that he had given the three parties until Nov. 10 to clean up, or he would take them to Woburn Court, and if necessary to the Superior Court in Cambridge. He might not win at first, but he would win, the Chief said, and the expense would be on the men.

If he (the Chief) didn't win, the expenses would go against the Town. Altman corroborated the Chief's statements, and added that the Chief had given them a 'reasonable time' to avoid litigation.

They could be fined \$25 in the preliminary complaint in Woburn Court, Altman said, and if the town were defeated there he would take the case to the Superior Court in Cambridge.

The Chief also told the Selectmen that he and Mr Altman had

noted a place on Burlington Ave. with two cars, and that Officer Dolan had been ordered to 'take care' of the case.

Cushing and Hibbins were, as could be expected, unhappy. The cars in his yard, Cushing said, were 'URDC' - (United Racing Driver Cars - ed). They were for use at the Hudson Speedway in New Hampshire.

Cushing said he had had permission to leave the cars there, and all he wanted them for was 'a good time for his family'.

The Chief countered that the cars did not have the compulsory registration and insurance for Massachusetts.

Norma Powers of Butters Row,

a spectator, stood up to ask if this meant that stock cars were illegal in Wilmington - and noted that there are eight URDC drivers in this town all driving at the Hudson Speedway.

Mr Hibbins said that there was a ruling from the Attorney General Chairman Banda didn't want to discuss the question any further. He told Hibbins that the Zoning Law was valid, that the Chief of Police and Town Counsel were working on the case, and that 'this' is not the place to discuss it, but rather in court.

As the Chief left the meeting room he was invited by Hibbins to go down and inspect the cars on which he had just reported. The Chief wasn't interested.

### Tom Martin's Lot

Tom Martin of Silver Lake St. who has been attending the Selectmen's meeting for several weeks in an effort to purchase a 50 foot lot of land, had with him Atty Fred Connors of Somerville. Mr Connors is one of the Middlesex County Commissioners, but was appearing only in his capacity as a lawyer for Martins.

The Town Meeting in 1957 voted to sell the land to Martin, and then or a couple of days later, the Town Assessor set the price on it, which does not agree with Martin's memory of the affair.

With Martin sitting explosively at Connors' side, Connors noted that the board had voted to sell at \$550, and he assumed a six month grace period was still in effect. Banda quietly said it was, and Connors withdrew to discuss the case with his client, and then notify the Selectmen of the decision.

### 20th Taxi License

Taxi License No. 20, the limit set by Wilmington's selectmen for taxi licenses, was granted to Daniel McKinnon of 15 Cedar Street, but not without fireworks.

Mr and Mrs McKinnon appeared as did several other Wilmington taxi operators. The board questioned him about rates, and then Miceli moved to grant the license. The vote was two in favor, one against and two abstaining. Banda said the vote had lost, and noting that there had been a previous case on a gravel case, added that there was a difference in counting the votes this time.

Almost instantly Boylen, who had abstained, moved for a reconsideration. This time the vote was three to two, with Boylen, Miceli and McDonald in favor.

Anton Antonowitch, of Anton's Taxi Co. rose to ask why he had to

# Wilmington Jaycees

Town Crier of Wilmington - Oct. 23, 1969

5

VISITING STATE VICE PRESIDENT: Don Hill, of Tewksbury, is shown addressing the Wilmington Jaycees at their meeting in the Legion Hall, Monday night.

The Wilmington Jaycees, Sunday evening announced the appointment of Jim Miceli to the Board of Directors. He is to fill a post vacated by the retirement of Carl Backman Jr.

A past president and former Outstanding Young Man, he is openly recognized as one of the hardest workers the Wilmington Jaycees ever had. He now joins two equally diligent organization men, chairman Ted Nelson, and Jack Nealon on the board.

Jack has held three offices in the Wilmington chapter and is currently involved in a Higher Education study, the findings of which will be made available to the local school system.

Ted Nelson is the immediate past president and current state director. His main project at the moment is the circulation of petitions for Civil Service reform. The specific article involves positioning on the state ballot a proposal to revise the Massachusetts

Civil Service system.

The revision will eliminate absolute preference in job appointments and promotions, replacing same with a point and merit basis. This will mean that the hardest working and most qualified employees will receive the most frequent promotions, and the most generous pay raises. Nelson asks that the people sign the petition willingly, when a Jaycee comes calling.

## SUE SEVENER JOINS AIR FORCE TOMORROW

Miss Sue Ann Sevenser, daughter of Mr and Mrs Walter Sevenser of 395 Middlesex Avenue will enlist in the US Air Force tomorrow. She will depart Friday afternoon from Logan Airport for Lackland Air Force Base, in Texas, for six weeks of basic training, after which she will undergo further Technical Training, and finally report to her first assignment.

Sue applied to join the WAF (Women in Air Force) last September and was selected in competition with young ladies from all over the United States, on a basis of results of mental tests, personal references, and attractiveness.

She is a 1969 graduate of Wilmington High School, and already has two brothers in the service. Dan joined the US Navy in October 1968, and Kenneth is in the Naval Air Service, since November 1968.

Sue Sevenser

SPEAKERS AT ROTARY: Two ladies of the Wilmington League of Women Voters were speakers at the Rotary luncheon yesterday. Mrs Verence Hensley, speaking, is the treasurer of the league, and seated beside her is Mrs Joan Bachman, president.

## SINCLAIR STATION ROBBED

\$155 in cash was taken from the Sinclair Gas Station on Main Street sometime after midnight, on the morning of Oct. 21 by thieves who broke into the gas station.

## JOHN PILCHER ON WAY HOME

Johnny Pilcher, for four years a crewman on the USS St. Paul, heavy cruiser, is driving across country, on his way home. He completed his Navy service last week.

Send your announcements to Nancy, Box 208, Wilmington, or call 657-7141, and after five, 658-4865. If I'm not there, then I'll call you!

Well, now, how's the Good Group this week? Wonder who was in distress at the Gendarmes Fort last Friday. One Chick tells this Gal that the Flag was flying upside down. Being kinda young and all, she thought she was seeing things when she was going in, but coming out she looked again, and there it was with the stars on the bottom...Suspect that the Chief was just proving a theory...but then the hanger could have been 'hung' over...anyway...that was a real deal on account of this gal only had that one comment on it...and he proves his point!

We blooped last week and pulled the biggest real estate transaction in history, according to Larz Frederic...Anyway...That Gauvin kid is in the NEW ENGLAND MEMORIAL in STONEHAM...not Cambridge...and your cards gals...to that Margaret Wagstaff, the pleasant smile assisting Esther Russell at the Town Hall...she is in the Choate Hospital with an operation...We are sure that one is in Woburn...at least it is this week!

Had a card from that Spanish speaking preacher this week from Chile: Rev Miller wrote to us 'Arrived by Plane just in time to Preach to a Sat pm crowd of 250 Methodists. Go-getter Pastor here has me listed to preach 15 times this week. Glad the folks at home are praying. We certainly need that kind of support. See you all Oct 26th. A magician in this Church is bringing his Magic Club to Church one night.' Maybe that boy will need a recuperation period next week... Wish the Wilmingtonians were that enthused about religions! By the way, Layman's Sunday last week brought Senator Ron McKenzie to the pulpit at the Methodist Church. That is some boy...We need more of his kind!

You know that horse-riding Robin Sullivan, who is a senior at the Wilmington High...well, she is at it again. She will be representing the New England Quarter Horse Association this year the All American Congress at Columbus, Ohio. She'll be riding her Registered Quarter Horse, Kami Kat Cody. (Wonder if he has to go all that way in a 'Tree Tuck'?)

Get those Calendars out gals... Are we ever getting fat this week. Low-Cal meals of course;

Halloween Luncheon at St Dorothy's for 50¢ yet on October 30th with a Blitz Party following...However, if you have to slave like this chick, you are invited to lunch anyway. Any questions, call that Bernice Lynch at 658-2682.

Then at night, the CDA at St Thomas of Villanova is running a Harvest Supper at 7 pm at the K of C Hall. Barbara Breaky is the General Chairman, with able assistants Kay Guarino and Pat McNamara. The Guest Speaker will be Stanley Slatev from from behind the Iron curtain!

The night before, you can get in shape for all of that eating by square dancing with the Skirts'n Flirts at the West Intermediate School on Oct 29th from 8 pm to 10:30 pm with Joe Portelance doing the calling. This is open to everyone at \$2.50 per couple and for the benefit of the Landers Family. Let's go, Folks...What fun!

Did you volunteer for FISH? You can really do something...I just know you can...anyway, we need phone duty volunteers particularly for weekends...Call and volunteer...657-7778

The Mid-High MYF has a Halloween Party on Sat, Nov 1st at the Methodist Church 7:30 to 11 pm and on Dec 5th, they'll be sponsoring a White Elephant Sale at the Fairless Fair Supper. Call Jean Tuxbury at 658-5465 for your pickup....Do it now!

And here's your chance for the raking and Storm Window bit during the weeks of October 20th through November 3rd, the Mid-Highs are having a work-bee...Call Ken Hall 657-3707 or Dave Tuxbury at 658-5465 or the church office at 658-4519 and make the arrangements for your 'slaves'.

Those Kiwanians aren't asleep although there hasn't been much news lately...Ladies Night is on Oct 24th at the Merrimack Valley Motor Inn. Cocktails at 7 and dinner at 8. Also dancing after. Father 'Spike' Morrisette spoke on Oct 20th and Lee Brower Night is Oct 27th.

Heart this...If you have an extra guitar that you wish to sell, or can loan Cadette Troop #354, they will be in your debt forever. Seems these chicks are working on their Music Makers Badge and near the wherewithal to make music...Call Eileen Morrisette at 658-7291

Those pappys for Troop 354 will be paper driving again on Nov 1st. Papers dropped off at the Congo Church between 9 and 2 or for pick up, call Jean Foley 658-3718, Shirley Zimmeraman at 658-4040 or Eileen Morrisette at 657-7291.

The Shawsheen Valley Hadassah is holding a Stanley Home Products party at the United Presbyterian

Church on Rt 3A in Burlington on November 5th at the United Presbyterian Church on Rt 3A in Burlington. This will be at 8 pm and the funds will go to children of Youth Aliyah, the international child rescue movement of resettling and educating disadvantaged Jewish children from all over the world now in Israel.

At Salem State are Eugene W Baldwin of Jones Ave for Business Administration; Pamela and Penelope Hadfield of Strout Ave in English and History respectively Mary C Pushee of 12 Washington Ave in Math Science, and Vita Marie Sinopoli of 6 Emerson St in Early Childhood Education.

Dr Farello, the head of the Science Dept at WHS attended the Suburban Section of the Mass Science Supervisors Association in Braintree on October 15th. Next month the group will meet at Charles River Breeding Labs, and Dr Farello will be the hostess.

At the Methodist Church on Mon, the 27th, the women will attend a floral arrangement demonstration at the Rocky Ledge Nursery in Winchester. The nursery will furnish flowers, base, and a ceramic dish for you to take home. Bring scissors or knife. Cost is \$2.50. Meet in the parking lot at the church at 7 pm. Call Barb White 658-8409, or Fran Gamlin at 658-3259.

The Daton's Skate Exchange at 214 Burlington Avenue is open on Saturdays from 9 to 1 and a \$1 donation is asked, which goes to material for the servicemen and college students...so get them out polish them out, and if they don't fit, send the kids down to Barbie with a buck to exchange theirs for some that won't leave them toothless.

Say, that frosted blond at the No Wilmington Pharmacy is really some Chick...Did yuh hear that she shortcircuited that cash register yesterday, and it was smoking and shorting and she couldn't get her finger off the button...she was grounded....Bet that Harry wishes Loretta would come back soon

Big Joe App and Tony DeLuca have asked me to tell all of you great folks 'Thanks' for your participation in the drive...those that helped and those that bought...it was a success...Don't forget if you still didn't get your bulbs, towels, or brooms, call Joe App!

The Council of Churches wants you to watch for those Hobgoblins next week that will be out with their boxes for UNICEF...You may see them at your door anytime during the week, so have those coppers and silver ready, won't you!

St Thomas wants to thank all who made their Paper Drive successful, particularly Mr DeFelice and the owners of the pickup trucks and the boys who volunteered.

The CYO at St Thomas will have a Mass and Communion Breakfast at 9:30 next Sunday to usher in National Youth Week. Dan Kingsbury, the president of the Archdiocesan CYO will speak. You can get tickets at the door and a special 8 piece band will play religious music at this Mass.

On Oct 27th, the CDA will have a Dutchmaid Party at the home of Mrs Rogers and the seventh and eighth grades will participate in an Eastern Rite Mass celebrating their part in the Golden Jubilee following the Mass. Mass will be at 7 pm and all parents are invited to attend.

Something really picked us up this week...Talk about people caring. When the head-on crash of the two MBTA work crew cars took place in Brookline last Friday morning, things really perked. After firefighters, doctors and the other rescuers worked for hours and freed the trapped men, they were taken to the Peter Bent Brigham where a plea for blood donors emergency was issued.

The MBTA publicly announced that the response was 'tremendous'. This proves that people do care, they always have, and always will... This Town knows this, don't we?

DON'T FORGET HORRIBLES PARADE!

# Where did the Gravel go?

WHERE DID THE GRAVEL GO? - The two photographs, above and below, are of property of the Town of Wilmington, and of a gravel pit which is near the North Reading line, in North Wilmington. No gravel has ever been taken from the land by the town, but as a guess 500,000 yards of gravel are gone. Gravel at the present time is selling for \$2.50 a yard.

The picture above shows the road which leads through the town property, showing how excavations are right up to the road. Further on the road disappears entirely, and there is a hole over 20 feet deep. Note the old rug mat, at lower left. It is shown in the picture below, on the right side, and the picture gives an idea of how much gravel was taken from the pit, without the town's permission.

## SELECTMEN'S MEETING (From Page Four)

pay \$18,000 for six licenses, and then someone else could get one for nothing. He also wanted to know if this was the last license to be granted. Banda smiled and said it was 'if the board remains the same'.

Joe Balestrieri of Joe's Cab asked if this was a Private Livery or a Taxi. TM Morris assured him that there was no such thing as a private livery. Balestrieri said that unless they had DPU plates or common carrier plates, no taxi had the right to make deliveries. Miceli confirmed this.

Balestrieri then went on to discuss taxi rates, and after a few minutes Anotonowich took up the subject. Banda, after some talking, set a date for Anton to discuss rates on Oct. 27th, and added that the Selectmen would also discuss the parking of vehicles on Burt Road. Anto said he was parking his cars there because he had had two radios stolen, and Banda reminded him that he was in violation of Zoning.

## Other Business

A Hatch Act hearing set for 8 pm for Fordham Road was indefinitely postponed at the request of the owners.

Permission was granted to the Wilmington Kiwanis to hang a banner over Church Street advertising their coming Speech Clinic for school children.

A hearing was set for Nov. 3 for the D F Munroe company application for a 2000 gallon gas tank on Waltham Road. Mrs Drew was heard to say 'I thought it was already there' and Banda replied 'I know, but it still requires a hearing'.

An application was submitted by Atty Seymour Berman for a Class I license, and a Class II license (i.e. auto sales) for International Harvester equipment at 496 Main Street, the old Ford place.

The Selectmen voted to allow in telephone company to remove a pole on Burlington Avenue, and to place underground telephone cable on Andover Street to the new industrial park of Crocker Associates.

## New Business

Selectman Miceli brought up the hearings being held for old gas licenses. He said that the Board of Appeals had granted a Car Wash permit to Fred Cain on a Main Street site opposite his garage, and that there was an old permit for the sale of gas. He wanted that discussed out of order of the schedule that had been set up.

Banda told him that he had discussed this with the Town Counsel and that all the permits would have to be taken up in order, since this was how the board had instructed him.

'That blasted building will all be built by that time!' Miceli said as he threw up his hands in disgust.

Miceli then changed his tactics, and moved to 'discuss' the 'alleged permit' next week. Boylen seconded the motion and it was voted.

Boylen requested that a policeman should be in attendance for Sunday athletic events (e.g. Pop Warner) as well as the Saturday events. The TM was instructed

PAGE ELEVEN

## Mom and Dad - Detectives

Two Wilmington boys, one 15 and one 16 are at liberty on \$1000 bail, with surety, from Woburn Court, after having been arrested as car thieves.

They were arrested within two hours of the time that the car disappeared from the Diamond Crystal plant on Burlington Ave.

Wayne Marsh, an employee of Diamond Crystal can thank his parents for the recovery of the car and subsequent arrest of the two boys.

The car was observed to be missing shortly after 6 pm on Monday. Marsh called his parents, Mr and Mrs Walter Marsh of 10 Cross Street, Tewksbury, to find out if they may have borrowed it.

They hadn't. But when they heard that the car was gone, they got into their own car and drove off, looking for it.

Their son's car was observed by them, coming out of Lake St. onto Main Street, in Wilmington and they followed it, north, into Tewksbury.

The car had to stop for a red light at the corner of Shawsheen Street and Main Street, in Tewksbury, and Mr Marsh went up to the boys and asked them what they were doing in his son's car. The boys jumped out of the car, and headed for the woods.

Marsh then called the Tewksbury police, and the Wilmington police were notified. They were arrested by Sgt. Palmer and Sgt. Shepard of the Wilmington Police, and then charged with larceny of a motor vehicle, in Woburn Court.

## FAIR IN READING

The Church of the Good Shepherd is holding its Christmas Fair on November 29th at the Church. Interested persons may contact Marcia Bearser at 658-8582, or Pat McKenzie at 658-3344.

There will be beautiful Arts and Crafts, knitted goods, candy, woodworking, white elephants, and christmas decorations. Keep in mind November 29th.

## Babine L Burns is Bride

mouth, Andres Hiltunen of Wollaston, Robert Caras of Arlington and John MacKay of Quincy.

The reception banquet was held in the Holiday Inn in Tewksbury, with Mrs Robert Caras and Miss Linda Tufts serving as guestbook attendants.

For her daughter's wedding Mrs Burns wore a cape and dress ensemble of magenta with matching hat, pink accessories, and pink cymbidium orchids. The groom's mother wore a coat and dress ensemble of mint green and silver brocade with matching accessories and a white cattleya orchid corsage.

For her going away outfit, the bride chose a powder blue tunic and wore a corsage of pink roses and pink carnations.

The bride is a graduate of Wilmington High School and Dean Junior College, and was once employed as a typist in the Town Crier office. She is presently employed by Colonial Management Associates in Boston.

The groom is a graduate of Quincy High School, and has served five years in the US Navy. He is presently employed by the S. H. Couch Co., Inc. of Quincy.

Following their Cape Cod honeymoon, the bride and groom are now residing in Wollaston.

SHARON HINXMAN WILL WED JEFF WILLIAMSON

Mr and Mrs Chester B Hinxman of Ridge Road, Lisbon Falls, Me. have announced the engagement of their daughter, Sharon Louise, to Jeffrey Moore Williamson, son of Mr and Mrs John J Waugh of 12 Wildwood Street.

Miss Hinxman graduated from Lisbon High School in 1968 and from Control Data Institute, also in 1968. She is currently employed by Systems for Advanced Information, Inc. of Burlington.

Mr. Williamson is a 1963 graduate of Wilmington High School and graduated from Springfield College in 1967. He is a pitcher in the Baltimore Orioles Farm System and is currently employed by General Foods as a salesman, for the winter.

A November 29th wedding is planned.

On September 13th in an Ecumenical wedding in St Thomas of Villanova Church, Wilmington, Miss Dawne Lee Burns, daughter of Mr and Mrs William C Burns of Federal Street became the bride of Paul James Hurley, son of Mr and Mrs Daniel J Hurley of Wollaston. Officiating clergymen were the Reverend Father Thomas Dally of Ste Ann's parish in Wollaston and the Reverend Dr. Cecil R. Paul of Eastern Nazarene College in Quincy, uncle of the new Mrs. Hurley.

The bride's empire style gown of white organza over taffeta trimmed with Venice lace, had a rolled circlet neckline and three-quarter bell sleeves. She wore a matching full train, and her finger tip silk illusion veil was attached to a Venice lace and pearl crown. She carried an old-fashioned bouquet of pink roses, white carnations and baby's breath. She was given in marriage by her father.

Mrs. Glenn (Kathryn Butler) Carlson was Mrs. Hurley's Matron of Honor, having traveled from Lansing, Michigan with her family for the wedding. She wore a Burgundy poi - de - sole long-sleeved Victorian gown and matching coronet.

The bridesmaids were gowned in identically styled Victorian gowns, two in American beauty rose, and two in petal pink. Bridesmaids were Miss Helen Abdallah of Norwood, Miss Elaine Luongo of Somerville, Mrs Arthur (Susan Cosman) Durante of Malden, and Mrs Thomas (Valerie Camber) Borgal of Malden. All bridal attendants wore matching coronets and carried baskets of rhubrum lilies and white poms.

Mr Thomas McClutchy of Hull was the best man. The ushers were Robert DeBoer of South Wey-

## Mrs. Stephen E Ridley

At St Joseph's Church in Medford on September 14, 1969, Miss Nancy Theresa Esigman, the daughter of Professor and Mrs Martin W Essigman of Medford became the bride of Stephen Earl Ridley, the son of Mr and Mrs Oscar E Ridley of Sheridan Road in Wilmington.

A lovely reception was held at

the Colonial in Lynnfield after the ceremony.

Serving as Maid of Honor to her sister was Miss Joyce Essigman. The best man was Lloyd Carney of Wilmington.

Graduated from Northeastern University in 1967, the bride is with the Lahey Clinic, while the groom is serving overseas with the Army.

## Dangling Worms Are Oak Skeletonizers

The heaviest infestation of oak skeletonizers since 1961 has hit the area, according to a spokesman at the University of Massachusetts Field Station in Waltham.

The tiny larvae are so named because the leaves of the oak tree look like skeletons after the tiny worms have finished with them.

Dangling on a silken lifeline to the ground, the air has literally been alive with the tiny larvae as they head for the ground to spin their winter home. The cocoon is easily spotted as a short, white, cigar shaped house a little over 1/4" in length and can be found everywhere at times of heavy infestation.

The adult moth will emerge from the cocoon in early June and is described as white with brownish markings with a wing span of about 5/16" who will promptly fly up to deposit a new batch of eggs on newly emerged oak leaves from which the larvae will hatch to begin the cycle all over again. Frequently there are two broods a year, one in June and one in September.

According to the Waltham Field Station, it would do little good to spray now. They recommend spraying with lead arsenite or Sevin sometime late in May or early June.

These moth larvae do not pose any health problem.

## Robbins - Zaveron Wedding

At a three o'clock ceremony on Sunday, September 14th, at the Farmer Memorial Baptist Church in Toronto, Ontario, Canada, Miss Janet Louise Robbins the daughter of Mr and Mrs Kenneth W Robbins, of 835 Woburn St Wilmington became the bride of Paul Eric Zaveron, son of Mr and Mrs Joseph G Zaveron of

310 Middlesex Avenue in Wilmington.

Mr and Mrs Robbins and son, Gerald, attended the ceremony. A reception dinner was held at the LaGrotto Restaurant in downtown Toronto.

The bride and groom are both graduates of the Wilmington Public Schools.

## Pennant Bearers

A NEW ADDITION TO THE SPECTACLE OFFERED BY THE Wonderful High School Band, between halves at the football games, are the Pennant Bearers, shown here at the Dracut game.

## The Chargers Lose Their First Game

In one of the hardest hitting games ever seen in Pop Warner competition, the Wilmington Chargers lost to a fine Stoneham squad 24-20 last Sunday. It was one of the most exciting games in years. Stoneham roared across for a touchdown in the first period after the ball had changed hands by repeated fumbles, all of which took place within the Chargers' 25 yard line. The ball changed hands 5 times.

Stoneham added 2 more points on the kickoff by downing the Chargers receiver in the end zone. They then drove repeatedly against a befuddled Wilmington defense for yet another score, and it was 18-0 Stoneham!

In the second period Stoneham blocked a Charger put deep in Wilmington territory and hammered across another score to make it 24-0. The game was taking on the look of a rout.

But the Chargers settled down and came roaring back in an unbelievable fashion.

Doug Stewart caught a long pass to start it off, and Rick Dunn then plowed across with Wilmington's first score. At the half it was 24-6 in favor of Stoneham.

The rest of the game was dominated by the Chargers.

Tom Magee recovered a fumble which enabled Dunn and Styles to combine their talents for another scoring drive, and make it 24-12.

Carl Butler fell on another Stoneham fumble in the fourth to give the Chargers another chance. Doug Stewart caught a beautiful pass for a score, and Rick Dunn went over for the conversion, to make it a nerve tingling 24-20.

Wilmington took over in the closing minutes of the game, deep in Stoneham territory, and threatened. The crowd was screaming. But their hopes were dashed by a Charger fumble which Stoneham recovered. That iced the game.

The Chargers now enjoy a 4-1 record, and in their only loss they showed plenty.

They will be playing again, Sunday, at 1:30, at the High School, and they will be in there, fighting for the championship.

9:30 am.

## Field Hockey

The varsity tied both of their league encounters last week. Coming from behind again, on Tuesday, on a goal by left wing Linda Spinney, whose outstanding stick work on the line all year has been an inspiration to all, to tie Billerica, 1-1. Thursday afternoon the girls played to a scoreless deadlock in a disputed ball game with Chelmsford. The Jayvees lost both games by identical 1-0 scores to Billerica and Chelmsford. The varsity is now 1-3-14 for the season with four games to go. On Tuesday, they were at home with No Andover and travel to Burlington this afternoon. The Junior Varsity has a 1-3-3 record.

## Adult Basketball Starts Nov 3

The adult basketball season in Wilmington is planned to start on November 3rd. Practice is to be held every Wednesday evening until the first of December, when regular season play will begin.

Anyone interested in playing is asked to report to the High School gym on Wednesday evening.

Sponsors are still needed, along with men interested in coaching. There are five teams in the league and one more is needed.

The planned schedule calls for games on Wednesday and Sunday nights.

## Cross Country

Last Wednesday, the varsity evened their record to 4 and 4 as they defeated Burlington 16-45 in another strong effort. Rick Russell, Jim Lynch, Lance Walden, and Cliff Friberg finished 1 through 4, while Rick Keane was 6th. The freshmen defeated the sophomores 24-32, in the preliminary meet.

In Saturday's Cross Country Meet at White Stadium, Rick Keane took 14th place among some 160 sophomores in Division II of the Catholic Invitational Meet and won a Medal. His time for the course was better than all of the varsity times that our boys ran.

Yesterday the big annual battle with Tewksbury took place at the high school. This Saturday, our boys will participate in the all class meet at White Stadium at

## For 65 Cents

ASSAULT WITH A DANGEROUS WEAPON

Kenneth Maynard of 8 Grant St. was the victim of an assault, Tuesday evening, by two motorcyclists who didn't want to pay 65 cents for gasoline.

Mr Maynard is an attendant at the Sinclair Gas Station on Main Street. About 8:50 pm two men on motorcycles drove into the station, and ordered gas. Maynard filled their tanks, and then when he put his hand out for the money one of them drew a knife and slashed at Maynard.

The right sleeve of his jacket was cut, but there was no personal injury. Both men drove off on their motorcycles, southward.

One of the newest concepts in home living is the addition of the family learning center.

The adults must keep up with the youngsters also. This room is more than a den. It is this center for all kinds of educational aids.

There's a television, tape decks, even visual aids (a screen built right into the wall for slides and movies). This study center is a library including dictionaries, encyclopedias and reference materials, typewriter, adding machine, etc, so Dad can conduct business also.

In total, this learning center is a vital room that provides the right atmosphere for learning of a family level.

#### SELECTMEN'S MEETING (From Page Seven)

to take care of it.

Morris announced that Lt. Robert Woods of the Fire Department had been appointed Acting Chief, and William Nee Acting Lieutenant. Miceli asked for an explanation, saying that George Cushing was next in longevity, and wanting to know why Cushing was skipped. Miceli appeared upset. Banda reminded him that the discussion had been in executive session, and then Miceli wanted to be recorded as objecting - that things should 'go according to Hoyle'.

Morris told the Selectmen that Manuel Amaro wanted to buy a lot of land near Veranda Ave and Main Street, to which he is an abutter. The land, Morris said, is General Business zoning. He felt it should not be sold under Wilmington's 'Abutter's Law', but at Public Auction. The Selectmen agreed with him.

Miceli asked for an investigation of a report of cars racing at 2 am in the North Wilmington parking lot.

Julius Matonis of Fairmeadow Road with a friend to discuss the matter of which he had complained two weeks ago. He was referred to the Board of Health, after Joe Balestrieri, the Dog Officer, had said that he had taken action on Monday morning.

Balestrieri told the Selectmen that dogs had attacked several pigs belonging to Ventura Canalas, off MacDonald Road, and that according to law Mr Canalas was entitled to reimbursement. The town had to pay him and then make application to the County for reimbursement. Canalas wanted \$25 for each pig (seven).

The Board then went into executive session with Atty Levine (35 minutes) and continued on for another 25 minutes thereafter.

#### Lifesaving Course

On Tuesday evening Oct 28th the Reading YMCA will offer a Junior and Senior Lifesaving Course for residents for Wilmington and the surrounding communities. Jr will be for boys and girls 11 thru 14 years who have completed the fifth grade. Sr Lifesaving is for 15 year olds and over. Good physical condition is essential.

Program will be conducted by Norma King, Aquatic Director for the Reading YMCA. Registrations must be in by Monday, Oct 27th Call 944-1032

#### Hospital

#### Building Fund

#### Contributions

Friends, relatives, and loved ones honored by contributions to the Hospital Building Fund this week include:

Leopold Michaud, brother of Mrs Walter Lawler, from Mr and Mrs George Chateaufeuf (Arlington)

Ida C Malone (Somerville) from Mr and Mrs Ralph E Decker Jr. Lawrence Desmond (Billerica) from Mr and Mrs John Roane (Tewksbury)

The Landers Family from Wilmington Company Minute Men for the Burn Center

Ruth Layton (Reading) from Mr and Mrs Donald Andersen

H Oliver Newcomb, lovingly remembered on his birthday, by his wife Margaret and daughter Joan.

The Landers Family from Mr and Mrs Otto Swenson for the Burn Center

The Hospital Building Fund Committee is extremely grateful to Edward Shelley for his generous contribution of memorial cards.

#### WILMINGTON HOSPITAL BUILDING FUND

Memorial Contributions, in lieu of flowers, may be sent to Middlesex Bank, c/o Joseph Matfeo, Wilmington, or the Wilmington Centre Pharmacy c/o Mrs Lillian Woodside, Main Street, Wilmington.

All contributions will be acknowledged.

#### NEW STAFF MEMBER FOR READING YMCA

Henry A Murphy Jr, President of the Reading YMCA announced the appointment of Kenneth H Brockway as Program Director for Reading YMCA. He will begin on October 1st. His responsibility will be working with Teens.

Brockway is an ordained Deacon in the Methodist Church and has considerable experience in the youth field. He has been a counselor in San Quenton Prisons and served as Drop-In Supervisor for Chicago YMCA. He has been Director for Correctional Assistance Program and Coordinator of the YMCA Drug Education Program.

Born in New Haven, Conn., he was graduated from New Haven College in 1961, and from Dakota Wesleyan University in 1963 later received his Doctor of Divinity from Garrett Theological Seminary in 1967. He has studied also at the University of Heidelberg in Germany. He is single and now resides in Melrose.

#### More Nancy

Possibly you noticed Arthur Allgrove's name in the Boston Globe, Monday afternoon. It was in the 'Ask the Globe' column.

Arthur was the subject of a story in the Town Crier, a year or so ago, called 'The Garden of Arthur'. He is a horticulturist and nursery man, among other things.

Somebody asked the Globe where he could buy a Venus Fly-Trap, the plant that will catch and eat flies, and the Globe said that Arthur was the man to see.

But that's not the story.

Arthur got a telephone call the next day from Time and Life, in New York. They said they figured he was the expert for the northern states, as a result of that story, and their question was: Will the Venus Fly Trap grow in the northern United States?

No, said Arthur - not north of Richmond Virginia.

Evelyn Lounsbury, Neighborhood Chairman of the Wilmington - Tewksbury Girl Scouts, has a

Uniform Exchange at her home.

Do you have any outgrown Girl Scout uniforms you would like to get rid of?? Evelyn would be glad to pick them up.

Or, if you have one you would

like to get a few dollars for, you may list it with the Exchange. Call Evelyn at 658-4024.

Don't forget the Horribles Parage, please, kids!

Wilmington — 390 Main Street

# Photon Sales Expected to Jump

Photon, Wilmington manufacturer of phototypesetting machinery, expects a substantial jump in sales in 1969.

Robert M Campbell, president of the firm made a detailed presentation of his firm's figures this week, according to the Boston Globe, to the Boston Security Analysts Society. He was quoted as saying that sales will be 'considerably better' this year, compared to 1968.

The firm has been diversifying its products, and now has machines that are both type setters and computers, and displayed these for the first time a week ago in the Logan Airport.

A year ago the before tax profits of the firm was \$4.1 millions and the net income \$1.8 millions on sales of \$19.9 million.

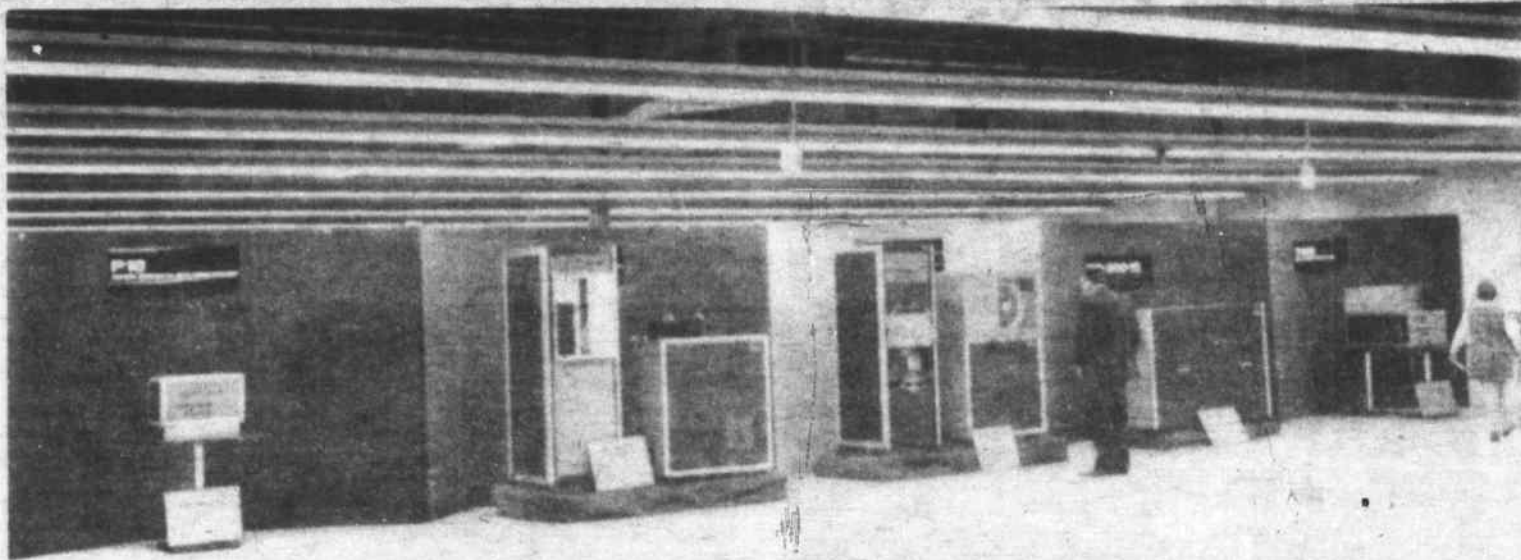

Sales rose 24 percent for the first six months of 1969 and net income was up 62%.

Campbell was quoted as saying that the target for this year is a 50% increase in sales.

A private showing of the Photon products and facilities was held in its two Wilmington plants, on Middlesex Avenue and Concord Street, Sunday, for members of the fam-

ilies of Photon employees.

Photon employs about 500 people in the two plants, and about 250 in a third plant located in New Hampshire.

NEW MODELS ON DISPLAY: Shown last week for the first time in an exhibit at Logan Airport. Included are highly sophisticated models, and ones made for the more modest pocketbook.

WILBUR THOMAS, Of Lowell Street, explains the Model 560 Display Typesetter. It sets whole advertisements, up to nine inches wide, in minutes. The Boston Herald has four of an improved model.

THE WIRE WRAP: a development of a Photon subsidiary, is shown by Wyatt Ingalls to the family of Melvin Holmes, Photon engineer. Mr Holmes lives in Malden and has been with Photon six years. From left Sally (Mrs Holmes), Cherie, Melvin and Bradley.

The Wire Wrap is a 'solid state' complex circuit, which is now being made mechanically, and takes the place of large circuits which had to be made by hand.

For a change  
Wilmington Loses One

ESPO catches a 20 yard pass from Gustus, at the 44 yard line, the best pass that Wilmington was able to make in the game.

Dracut continued its mastery over the Wildcats last Saturday, holding high scoring Mike Esposito to only 11 yards in seventeen carries and getting a pair of touchdowns from senior Mike Cunningham to win 12-0. The loss snapped the Wildcat's eight game winning streak, and was only their third loss in the last 22 games--all at the hands of Dracut.

Mike Esposito's 17-game scoring streak came to an abrupt halt also as the Dracut defense stopped him and his mates cold, allowing only 57 yards total offense, and limiting the Wildcats to an amazing minus seven yards rushing. The Middies forced two enemy fumbles and picked off three Wilmington aeriels to humble a team that had averaged 40 points a game over their first three games this year. It was the second MVC victory against one loss for Dracut, and Wilmington's record is now 3 - 1.

GEORGE KATSIKAS, Dracut HB and workhorse, is shown tackling Mike Esposito in the third period. Espo was held to a two yard gain.

Elsewhere in the conference Andover blanked Chelmsford, 34-0; Billerica dropped winless Methuen, 22-8; and Burlington blasted No Andover, 33-0.

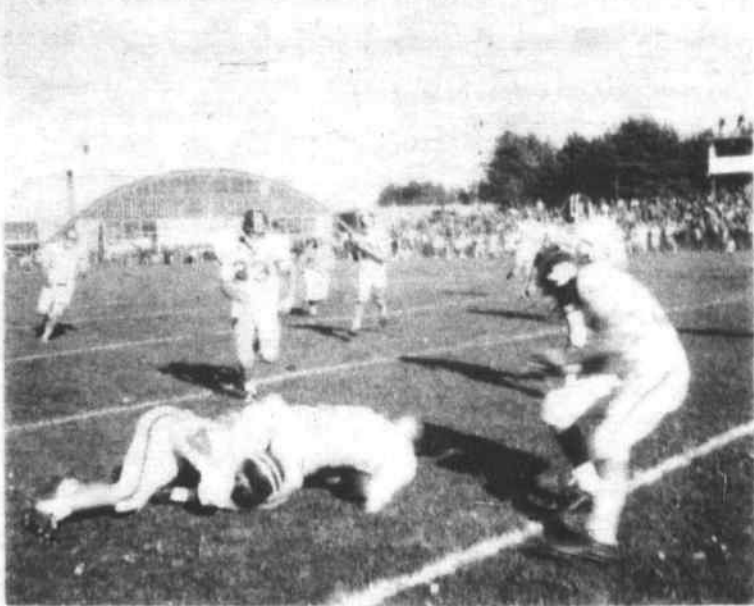

The wildcats almost broke the game open early in the first period when Esposito took a reverse from Dick Gillis on a punt return and almost went all the way. But he was hauled down from behind after a 52 yard gallop to the Dracut 33. The Wildcats lost the ball on downs after being able to net just five tough yards against the impregnable Dracut Defens, their deepest penetration of the afternoon.

Late in the second period, Dracut got its first break of the game when Gillis tried to crash the Middle's line only to have the ball squirt out of his arms and into a Dracut lineman's hands who crunched four yards to the Wildcat 39. Four plays only produced three yards and the Wildcats took over on downs. On the first play quarterback Bill Gustus faded back to pass and was crucified and fumbled with Dracut recovering the ball on the Wildcat 24. This led

to the first TD of the ball game as the Middies scored at 8:13. The Wildcats started to move during the third quarter, as Gustus passed to Esposito for one first down and Gillis garnered another on a fourth down and inches plunge at the Dracut 43, but on second down Gustus went to the air again only to have an attempted pass to Balliou intercepted. The defense held and forced the Middies to punt, and on the second play of the last period, another errant Gustus pass was intercepted to halt the Wildcat's final threat of the day.

Late in the day, Dracut moved for its second touchdown marching 66 yards in 10 plays for the score Sr John McNevin punted five times for a 32.0 average. The Dracut punter kicked six times also for a 32.0 average. Both teams played very well on defense with Heim, Dragan, Coates, McNevin and Anderson playing well in a losing

CONFERENCE STANDINGS			
Tewksbury	3 - 0	Dracut	2 - 1

Burlington	3 - 1	Billerica	1 - 2
Andover	2 - 1	Methuen	0 - 4
		No Andover	0 - 4

WITH ONE MINUTE TO GO: Dragan tackles Dracut's QB, Mike Cunningham, on the 20 yard line. But Dracut went over for another TD only a few seconds later.

Miceli Wins Two  
Newhouse, Elks One Each

An injury wracked Jim Miceli Club, lighting to remain in contention in the Wilmington Jaycees Football League, won a pair last week, besting Charles River Labs 68-25 and the Wilmington-Tewksbury Elks 53-31. The Newhouse Builders took their only encounter of the week, handling in 46-18 fashion Sweetheart Plastics, which also lost to the Elks 61-52.

On Tuesday night Dennis DeMaggio and Jack Gardeneach garnered a couple of interceptions of Sweetheart passes, making Builder QB Billy Walls' task much easier. Big Bill responded by completing 25 of 48 passes for 6 TDs including 3 to Bob McNabb and 2 to Ken Smard. DeMaggio is now tied for the league lead in interceptions with 7 and further sets a new league record with every tackle he makes.

The next evening was a cold one but not for Dick Ethler of Jim Miceli Club. Playing on two bad ankles, Ethler fired 10 TD passes, two to kicking star Mike Farrell. Jeff Williamson and Butch McFeeters had two interceptions apiece

for the winners. Steve Call, George Pratt, and the Ryan brothers all performed gamely in defeat for the Breeders.

Thursday night's onlookers were treated to two tremendous individual performances by Lenny Gustus of the Elks and Johnny Rose of Sweetheart. Gustus, the league's leading rusher, made 9 of his 23 completions good for scores. Billy Harrison, number 2 in the Jaycee loop in scoring with 98 points, hauled 3 of Lenny's aeriels to pay dirt. Sprinter Rose led the opposition's repeated rallies only to be frustrated in defeat after personally tallying a record 33 points.

On Friday night Dick Ethler amassed 423 yards of total offense and Dave Fuller caught 8 passes for 193 yards and 4 TDs, in pacing the Jim Miceli club to their sixth win of the season. Ethler threw 8 TD passes giving him a total of 51 for the year, including two to Billy Simmons, who turned in a great two way effort. Len Gustus passed and ran for 305 yards for the third place Elks.

**TOWN OF WILMINGTON**

**BOARD OF APPEALS  
PUBLIC HEARING 62-69**  
A public hearing will be held in the Town Hall at 8 pm Nov. 11, 1969 on the application of Corydon W. Coombs (Jackson Brothers, Inc Agent) 464 Middlesex Avenue for a variance to obtain a building permit on a lot on Middlesex Avenue (Assessor's Map 96-3&4) having insufficient area and depth according to Section V-5 of the Zoning By-Law.

Robert F. Jennings, Chmn  
O23,30 Board of Appeals

**COMMONWEALTH OF  
MASSACHUSETTS  
PROBATE COURT**

Middlesex, ss.  
To all persons interested in the estate of JOHN R KYDD late of Wilmington in said County, deceased.

A petition has been presented to said Court, praying that MARGARET E. KYDD of Wilmington in the County of Middlesex be appointed administratrix of said estate, without giving a surety on her bond.

If you desire to object thereto you or your attorney should file a written appearance in said Court at Cambridge before ten o'clock in the forenoon on the fifth day of November 1969, the return day of this citation.

Witness, Joseph W. Monahan, Esquire, First Judge of said Court, this seventh day of October 1969.

John V. Harvey,  
O16,23,30 Register

**COMMONWEALTH OF  
MASSACHUSETTS  
PROBATE COURT**

Middlesex, ss.  
To EMILY F. WOOD of Parts Unknown.

A libel as amended has been presented to said Court by your husband JAMES J. WOOD praying that a divorce from the bond of matrimony between himself and you be decreed for the cause of desertion.

If you desire to object thereto, you or your attorney should file a written appearance in said Court at Cambridge within twenty-one days from the twelfth day of January 1970, the return day of this citation.

Witness, Joseph W. Monahan, Esquire, First Judge of said Court, this fifteenth day of October, 1969

John V. Harvey,

## 72 CURRENT OPENINGS

Compugraphic, "On the Hill" in Wilmington, not only dominates the landscape from Route 93 (take Exit 26) but provides different and exciting opportunities due to dynamic expansion. Join in this growth by coming by to discuss any of the following:

### TOOL DESIGNER

Two years technical school beyond high school required plus a minimum of five years experience in the design of tools, jigs and fixtures in an electro-mechanical industry. Join a small group of manufacturing engineering people and see your ideas come to life.

### MECHANICAL ASSEMBLERS — "All levels"

Assemble completed equipment or sub-systems of our unique phototypesetting machines.

### INSPECTORS

One electrical inspector needed to check out wired racks and two mechanical inspectors to do precise in-coming mechanical inspection.

### DRAFTSMEN

Three openings for E/M Design Draftmen, two openings for E/M Layout Draftsmen and one opening for a Detail Draftsman. All openings are in our fast growing Design Engineering Group.

### MACHINE SHOP

Opening exists for someone with general experience in drills, milling machines and turret lathes. Work is varied and interesting.

### PRODUCTION EXPEDITER

A minimum of six months experience in expediting production orders through to final shipment.

### TEST TECHNICIAN

Compugraphic is in continuing need of good technicians to test printed circuit cards, tape readers and punches, digital sub-systems and complete systems.

## ENGINEERS — ME's & EE's

I had joined that company 2 or 3 years ago; imagine where I could be today. How many times have you said this or heard others say it? Every so often a small company springs up in an area and almost overnight becomes the talk of its industry.

Consider these facts:

	Sales	Employees
• 1960	\$ 16,000	3
• 1965	1,286,000	22
• 1968	3,612,000	257
• 1969	8,125,000	526
• 1970	MORE OF THE SAME	

Since we're writing this ad and obviously we're enthusiastic about Compugraphic you may wish to ask others about the company. Ask any of your friends associated with the phototypesetting business or graphic arts field about COMPUGRAPHIC — listen to what they say.

**We are now looking for engineers to join our technical staff.**

### • Mechanical Engineers

Senior level with experience in advanced development of mechanical equipment such as phototypesetters, office equipment, computer peripheral equipment, mechanisms or packaging.

### • Electrical Engineers

Openings at both junior and senior levels for imaginative design engineers with circuit and/or logic design experience.

If you want to work hard, become totally involved and do the next best thing to working for yourself — check us out. Two or three years from now you'll be saying:

"I'M GLAD I DID" instead of "I wish I had"

Call for an appointment 944-7807 or send your resume to Tom Macdonald, Employment Manager.
